Quarterly Webinar Series

A Roundtable Discussion of Key Developments and Hot Topics

Jones Day invites you to a roundtable discussion of key developments and hot topics in cybersecurity and privacy, with thought leaders and experienced practitioners from the Firm's global Cybersecurity, Privacy & Data Protection Practice.

This webinar is part of a series designed to help participants stay current in this rapidly evolving, increasingly high-risk area. The session will offer participants briefings on significant existing and emerging regulatory, compliance, litigation, and security risks affecting companies across all industries.

We hope you can join us for this interesting discussion.
